All the above and more details of what's on can be found on the Keswick Tourist Association Website [www.keswick.org](http://www.keswick.org)

## Cake Corner

Well we haven't given you a recipe for a while but don't fret, we're actually working on producing a cookbook for you to buy and the Keswick Mountain Rescue will, as always, be the recipient of your donations. It is expected that there will be approx. 30 recipes included with all the favourites like Lemon Drizzle, Chocolate, Coffee & Walnut, Cinnamon Apple & Sultana to name but a few. We will of course be able to post these out to you when the book is complete, so watch this space

## Latrigg Circular Walk

A new path linking the railway path just past Low Briery now goes through Brundholme Woods to Brundholme Road allowing walkers access up to Latrigg to complete this circular route. Unfortunately the complete railway path is not open and it doesn't look as if it will be any time soon, but in the meantime this is a very pleasant alternative route taking in some of the railway path and the wonderful Latrigg walk.

Starting Point - Moot Hall Keswick, Distance - 5 miles, Time - 2.5 hours - [www.keswick.org](http://www.keswick.org)

## Free Tea & Coffee

We all love a bargain and there are a few vouchers we can give you to enable you to a free cuppa when in Keswick, including Nichol End Marina and the café in George Fisher's. Java Coffee in Keswick also have a loyalty card scheme so if you're here long enough, buy 9 drinks, get the 10th free. Marvellous!

We look forward to seeing you again soon and don't forget to recommend us to your friends and family.  
Sally & Keith Lunson
